

The MC Family Justice Center Foundation

Our mission is to help end domestic violence and abuse of all ages. We do this by raising awareness through education and providing resources and programs that assist victims of abuse.

We are dedicated to ending violence and abuse of all ages and promoting healing after the abuse. By working with community partners to harness our combined resources, we provide support and programs for victims of domestic violence and their children and promote healthy dating relationships among teenagers.

Donation Drives*

For victims of domestic abuse and their children seeking services at the Family Justice Center assist with the transition from an abusive relationship

*Please note: all donation items must be new
