

The MC Family Justice Center Foundation

Our mission is to help end domestic violence and abuse of all ages. We do this by raising awareness through education and providing resources and programs that assist victims of abuse find safety.

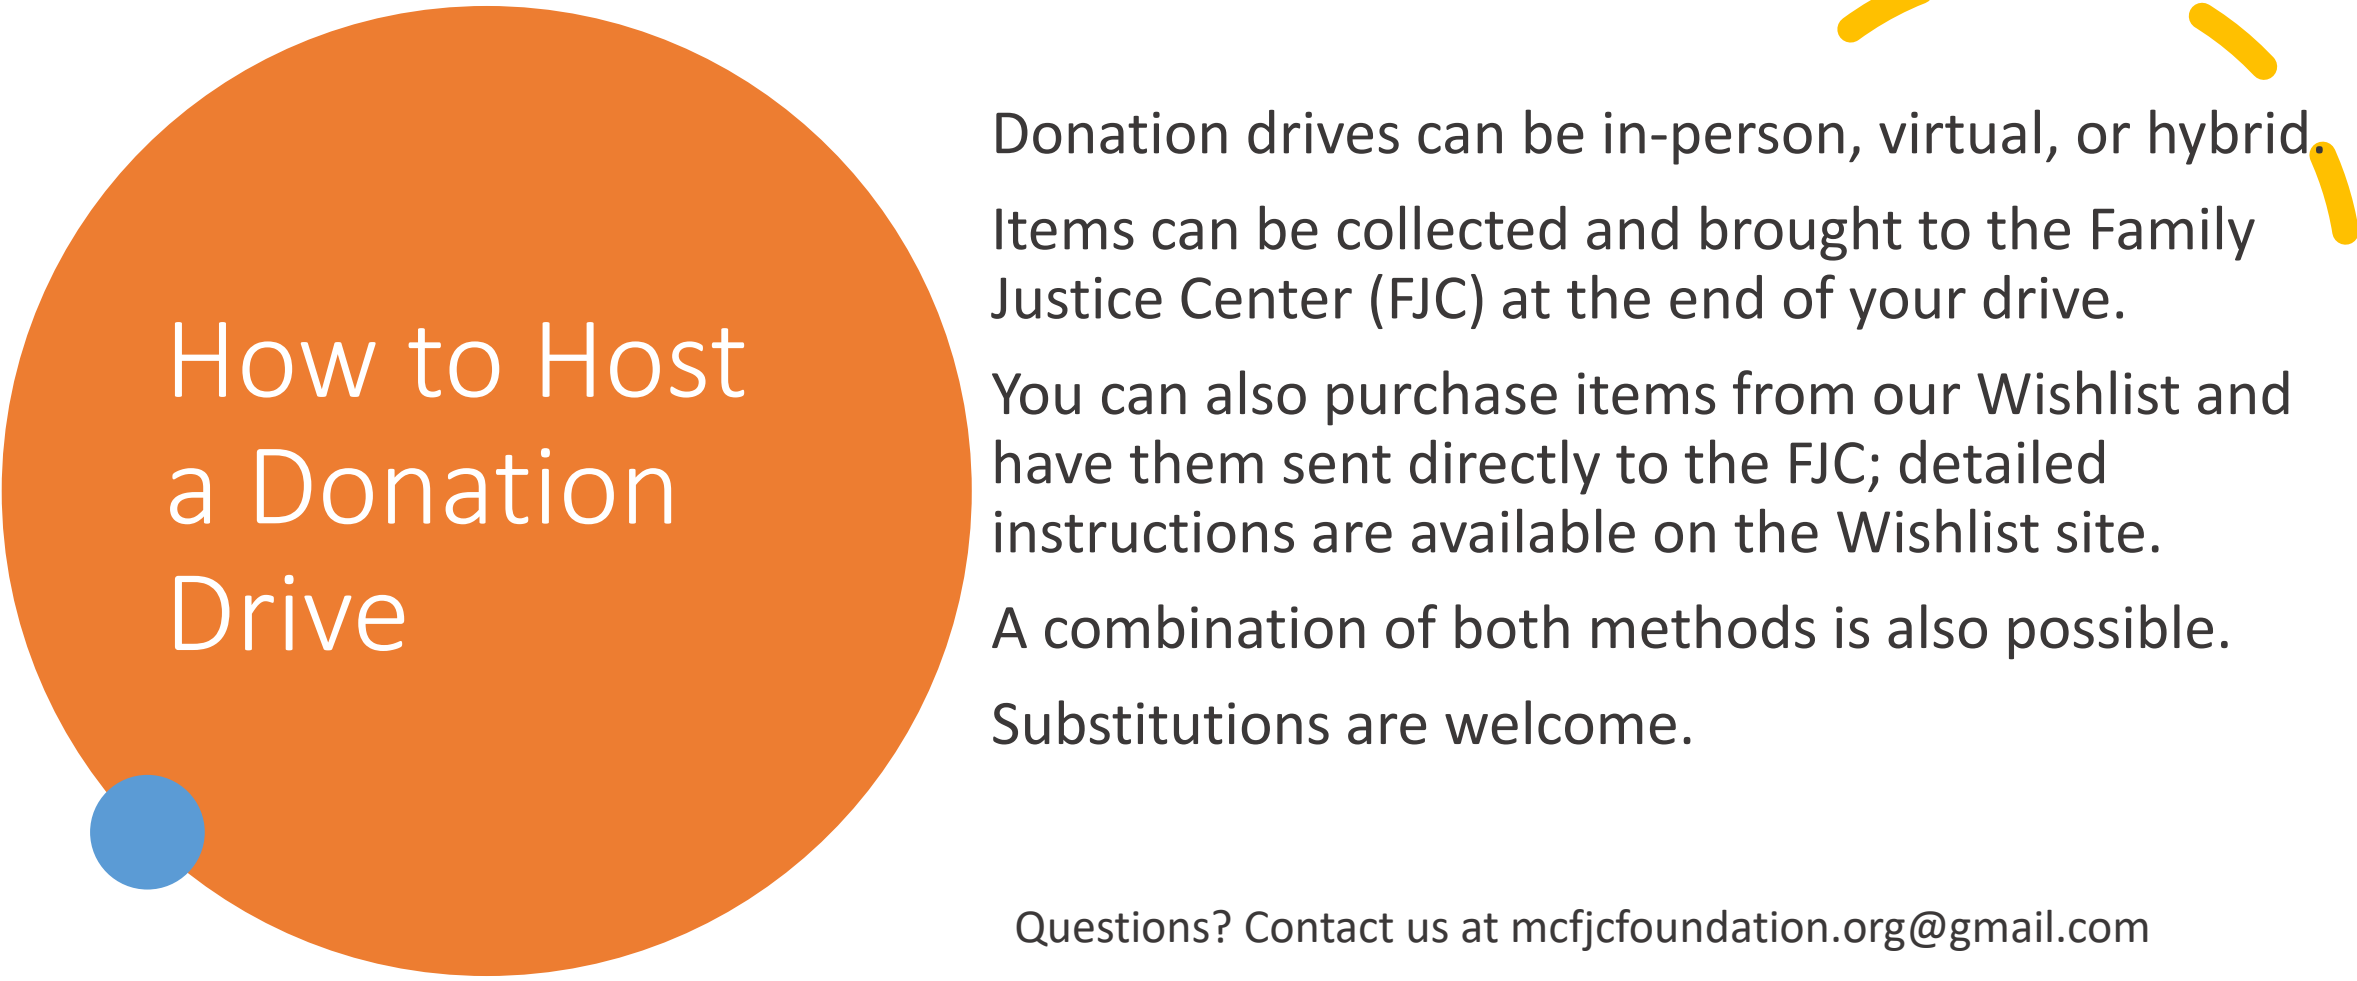

We are dedicated to ending violence and abuse of all ages and promoting healing after the abuse. By working with community partners to harness our combined resources, we provide support and programs for victims of domestic violence and their children and promote healthy dating relationships among teenagers.

Your support helps make that happen!

Donation Drives*

Donation drives support victims of domestic abuse and their children who seek services at the Family Justice Center (FJC). These items help families transition safely from abusive situations by providing essential supplies for their immediate and ongoing needs.

How to Host a Donation Drive

Donation drives can be in-person, virtual, or hybrid. Items can be collected and brought to the Family Justice Center (FJC) at the end of your drive.

You can also purchase items from our Wishlist and have them sent directly to the FJC; detailed instructions are available on the Wishlist site.

A combination of both methods is also possible. Substitutions are welcome.

Questions? Contact us at mcfjcfoundation.org@gmail.com

For safety reasons, all donated items must be new and food items must be nut-free.
